**ICE
OFF OUR
CAMPUS**

It's a matter of when, not if, ICE comes to Ball State
 ICE has already deported Muncie residents
 ICE detained Yeonsoo Go, a Purdue student, earlier this year

THE BALL STATE COMMUNITY IS UNDER THREAT

The Young Democratic Socialists of America at BSU are campaigning for an **Immigrant-Safe Campus**

- We demand:**
- No compliance with DHS without a valid judicial warrant
 - A statement from President Mearns affirming Ball State's support for non-citizen students
 - A commitment from the Board to protect free speech on campus
 - Mandatory non-compliance training for all public-facing employees

YDSA at BSU will protect our classmates regardless of the Board's support.
